

## CYC Cross District Coaches' Meetings

On Saturday, 3/23, at the St Peter's in Kirkwood Gym (215 N. Clay), we are conducting meetings for all teams participating in the CYC Cross District leagues. This is for boys' and girls' teams in grades 5-8. We expect the head coach or a representative for each team to attend. There will be a sign-in list for the event. Parish coordinators are welcome and encouraged to attend one of the sessions also. The goals of the meetings include:

- Review baseball/softball rules of interest

- Discuss league procedures including the source of schedules, recording scores, rainouts, and re-schedules.

- Review contact lists for field managers and coaches.

  - Verify contact information for all coaches

  - Receive game cards

  - Review post-season options

  - Finalize schedules and work out scheduling challenges

We are encouraging folks to bring PCs to facilitate the review of schedules.

Requests to modify the schedule being posted to the web site cannot be submitted after 3/23. Subsequent changes would need to be handled using the re-schedule process. The intent of the meeting is to minimize re-schedules because that is an inconvenience to the opposing team and field hosting the game.

Meetings for varied age groups will start on the hour. We are using the gymnasium and cafeteria so each group has sufficient time to work through scheduling changes. Each meeting will start in the gymnasium on the assigned hour and then move to the cafeteria to work out scheduling challenges.

The schedule for the days is as follows:

9:00 AM	8 Boys	2 leagues	22 teams
10:00 AM	7 Boys	2 leagues	17 teams
11:00 AM	6 Boys	4 leagues	21.5 teams
12:00 PM	5 Boys Comp	3 leagues	14 teams
